

**MINISTRY OF BRANCH OF
RUSSIAN FEDERATION
Ukhta State
Technical University**

**Russian scientific and technical conference
(with international participation)**

**"Problems of geology, field
development and operation,
transport and refining
of hard-to-recover reserves of
heavy oils"**

FIRST INFORMATION LETTER

8-10 December, 2021 г.

Ukhta

*Dedicated to
the first
Head of the
Komi Republic

Yuri
Alekseevich
Spiridonov*

Organizing committee of the conference:
Chairman – R.V. Aginey, rector of USTU, professor,
Dr. Tech. sciences.
Vice-Chairman – G. N. Leppke, Vice-Rector for
Science and Innovation, Cand. economic sciences.

Members of the organizing committee:
I. I. Lebedev, acting vice-rector for educational and
methodical work, Cand. tech. sciences;
N.P. Demchenko, Dean of the Oil and Gas Faculty,
Cand. geol.-mineral. Sciences, Associate Professor;
T.S. Krestovskikh, Dean of the Faculty of Economics,
Management and Information Technologies, Cand.
economic Sciences, Associate Professor;
M. A. Zasovskaya, Dean of the Faculty of Technology,
Cand. chem. Sciences, Associate Professor;
M. S. Trokhanovich, chief engineer;
V. A. Yakimov, vice-rector for Security and General
Affairs;
A.S. Chemezov, head of the department for teaching and
educational work and social issues.

Working group of the organizing committee:
I. D. Kibort – Scientific secretary of the conference,
Cand. tech. sciences.
Conference secretaries:
N.V. Kepich, research department USTU specialist;
A. M. Nabieva, research department USTU specialist.

Conference program committee:
G. N. Leppke – Chairman, Cand. economic Sciences,
vice-rector for Science and Innovation.

Program committee members:
V.B. Rostovshchikov, Head of the Department of
Prospecting and Exploration of Mineral Deposits, Cand.
geol.-mineral. Sciences, Associate Professor;
V.V. Durkin, Head of the Department of Development and
Operation of Oil and Gas Fields and Underground
Hydromechanics, Cand. tech. Sciences, Associate
Professor;
V.O. Nekuchaev, Head of the Department of Physics and
Chemistry, Doctor of Phys.-Math sciences, professor;
E. V. Isupova, Head of the Department of Design and
Operation of Trunk Gas and Oil Pipelines, Cand. tech.
sciences;

D. A. Boreiko, Head of the Department of Machines and
Equipment for Oil and Gas Industry, Cand. tech.
sciences, associate professor;
I. Y. Bykov, Professor of the Department of Machines and
Equipment for Oil and Gas Industry, Dr. Tech. Sciences;
A. V. Rocheva, head of the international department;
V.N. Pankratova, specialist in work with foreign staff and
students.
T.S. Krestovskikh, Dean of the Faculty of Economics,
Management and Information Technologies, Cand.
economy Sciences, Associate Professor;
N. S. Pichko, Head of the Department of Humanities,
Natural Science and General Professional Disciplines of
the USTU Branch in Usinsk, Doctor of Philos. sciences;
L.P. Polyakova, Head of the Department of Subsoil Use,
Construction and Management of the Vorkuta branch of
USTU, Doctor of Economic sciences, professor.

Scientific field

**Section 1. Geology, exploitation technologies and
production of high-viscosity oil and bitumen.**

Section Chairman – *V. B Rostovshchikov*;
co-chairman – *V. V. Durkin*.

**Section 2. Gathering, processing and
transportation of oil.**

Section Chairman – *V. O. Nekuchaev*;
co-chairman – *E.V. Semitkina*.

**Section 3. Actual problems of machinery,
equipment and processes in the development
of unconventional hydrocarbon reserves
in the High North**

Section Chairman – *I. Y. Bykov*;
co-chairman – *D. A. Boreiko*

**Section 4. Oil social, cultural and ecological
environment.**

Section Chairman – *A.V. Rocheva*,
co-chairman – *V. N. Pankratova*

**Section 5. Economics, management
and digitalization.**

Section Chairman – *T. S. Krestovskikh*;
co-chairman – *N. S. Pichko, L. P. Polyakova*.

In addition, reports revealed the problems of industrial
safety and economic efficiency of production,
corresponding to the topics of the conference and
sections are also accepted.

Application for participation in the Russian scientific and technical conference (with international participation)

"Problems of geology, field development and operation, transport and refining of hard-to-recover reserves of heavy oils"

8-10 December, 2021 г.

By filling out the application form, you agree to the processing of personal data

1. Author:
Surname _____
Name _____
2. Work place (full name of the organization)

3. Job position,

4. Full post address of the organization

5. Phone number _____
6. E-mail: _____
7. Preferred section _____
8. Title of the report _____
9. Co-authors (Surname, Name, Work place, Job position)

10. Form of participation (in-person, absentia, online) _____

Fill it here

<https://forms.gle/Fuj4jJ8bZSj5u7aK9>

Ukhta hotels are booked by the participants on their own, information is in the guest's memo. Travel expenses, accommodation - at the expense of the sending party.

The article should be written on a relevant topic and contain the results of independent research, and should not be published earlier or sent for publication to other publications.

The authors are solely responsible for the submitted material. The article will be published in the author's edition with minimal edits.

No more than 2 articles are accepted from one author.
